1st Class starts May 15th. The total cost of \$4,300.00 includes tuition, books, room and board.

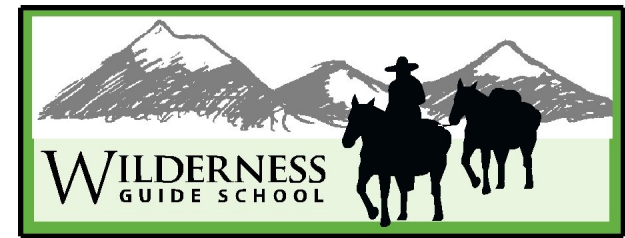

Wilderness Guide School is committed to providing you with a top-quality guide school experience and education. It is our goal to turn out well-trained and enthusiastic graduates, who will carry on their tradition of a strong work ethic, high morals and excellent skills. Skills that start with an exceptional and well-rounded education.

We will achieve these goals by:

- *Holding classes in a true wilderness setting . This is the ONLY true Wilderness guide school!*
- *Allowing you to pack actual gear to real camps.*
- *Teaching & helping you to set up YOUR camps, in which you'll live and learn, within the wilderness.*
- *Allowing you to take part in pack trips with paying guests, as they arise.*
- *Encouraging daily discussions pertaining to real life situations and problems.*
- *Actual hunting, stalking and shooting opportunities via Oregon's Spring Black Bear season and Spring Turkey season (provided you have required tags).*
- *Providing personal instruction by limiting class sizes.*

All service provided under permits of Moss Springs Packing, Wilderness Outfitters, LLC, and Wallowa Mountain Outfitters, LLC. We are an Equal Opportunity recreation service provider and employer. We operate under a permit granted by the Wallowa-Whitman National Forest.
LICENSED & BONDED

- * Tack Use & Care
- * Shoeing
- * Handling
- * Hauling
- * Horsemanship

Other:

- * CPR & First Aid

Classes will be held in the Eagle Cap Wilderness and the Hells Canyon Wilderness and Recreation Area of NE Oregon (weather permitting), with the exception of those classes which must be held outside wilderness boundaries. Classes such as chain saw, vehicle maintenance and trailering will be held on National Forest land.

The Eagle Cap Wilderness has a unique feature, in that most years it can be accessed very early in the spring (late April). Most Wilderness areas are still buried in snow at this time. In addition, the Hells Canyon Wilderness and National Recreation Area is also accessible. Vast herds of elk, deer, bear and many other animals spend their time there until they can return to higher elevations. This provides us with multiple opportunities to see and stalk various types of game.

With the optional purchase of Spring Black Bear tags or Spring Turkey tag, you also have the opportunity to actually stalk and harvest game as part of your class!

Equipment Types, Use & Care:

- * Saws
- * Tack
- * Pack Equipment
- * Tents
- * Camp Equipment
- * Truck & Trailers
